Junior ISA for Looked After Children- Information for foster carers

What is a Junior ISA?

Junior ISAs (Individual Savings Accounts) are long-term tax-free savings accounts for children.

Any child can have a Junior ISA if they are under 18, live in the UK and do not already have a Child Trust Fund.

More information on Junior ISAs in general can be found at:
<https://www.gov.uk/junior-individual-savings-accounts>

What is special about Junior ISAs for Looked after Children?

The Government have contributed £200 for each eligible looked after child.

The Share Foundation, a registered charity, has been authorised by the government to set up and manage the Junior ISAs for all looked after children. The Share Foundation will also be raising funds which it will contribute to the Junior ISAs that it manages.

Who decides how to invest the money in a Junior ISA for looked after children?

The Share Foundation obtains independent advice from financial advisers about how the money should be invested.

When can the money be taken out?

The money in a Junior ISA belongs to the young person, but they can't take the money out until they are 18. They can then decide what they want to do with it. If the young person chooses not to take the money out, the Junior ISA will automatically become a regular ISA.

No-one, other than the young person, can take money out.

Can anyone contribute to the Junior ISA and if so how do they do this?

Yes. Anyone can contribute to a Junior ISA. So you can let friends and family of the young person know they can contribute at any time; for example as birthday gifts. The total limit for payments into Junior ISAs is £9,000 each tax year. If you or someone else wishes to contribute then contact the Local Authority who will enable you to contact The Share Foundation direct.

The Share Foundation will also be raising funds which it will contribute to the Junior ISAs that it manages.

Is it possible to see how much money is in the JISA or how it is performing?

Regular JISA valuations will be sent to the local authority, and you can obtain a copy from them. If you would like to discuss details of an individual young person's account, contact your local authority to authorise release of your details to The Share Foundation.

Can I get advice and support on how to help the children in my care to manage their finances as part of the scheme?
